Friday & Saturday 9 a.m. to 6 p.m.
Sunday 12 noon to 6 p.m.

Welcome Back to the Library

After a busy summer of travel and vacations, it's good to be back home. We welcome you back to the library to enjoy a full schedule of programs and events, new materials and our helpful staff. In a recent study by the American Library Association, 44% of respondents said that families use the library to spend time together. With a wide range of programs and materials, the Canton Public Library is a place that everyone in your family can enjoy.

September is National Library Card Sign-up Month. Make sure your library card information is up-to-date with a correct phone number and email address. If you don't have your card yet, remember that anyone who lives in Canton, owns a business, or works in Canton is eligible. Stop at the Checkout Desk or apply online at www.cantonpl.org/services/borrow/cardreq.html.

Book A Librarian

Here's a helpful service for Canton library users. Get one-on-one assistance from a librarian on reference projects, Internet use or other library services. Make an appointment and our librarians can help you post a resume to a job hunt site, learn to navigate the web and set up email, get in-depth reference assistance, research a health topic, learn to use a database, and more. It's your own private consultation with a reference librarian, scheduled at your convenience. Call or ask at the Reference Desk to set up your appointment.

Library Continues Cloth Bag Initiative

As of January 2009, the library will eliminate plastic bags entirely. To ease the transition from plastic bags, any purchase of the \$3 library tote bag during the month of December will be rewarded with a gift certificate for a free paperback book at Secondhand Prose, the Friends of the Library's used bookshop. As always, you may bring your own bag to tote materials home. Thank you for your help in making the library a greener place.

Get Help Paying for College

September is National Saving for College Month. Sending your child to college is an investment in his/her future. The key is to start saving for a college education early and contribute to the fund on a regular basis. As the cost of tuition keeps rising, more families are relying on financial aid. The library's education collection has an abundance of resources to help you find the right school at the right price, apply for scholarships or grants, and make the most out of the college experience. For more information, visit the library's Education Subject Page at www.cantonpl.org/subjects/education/.

Save on Energy Costs With Killawatt - Now On Loan

The newest item for circulation at the library can help you save money on your energy bill. Check out an energy meter at the Canton Public Library. An energy meter can help you find out how much energy your appliances are consuming. Connect the appliances to the meter and it will display the energy consumption by the kilowatt-hour, same as your local utility. You can calculate your electrical expenses by the day, week, month, or even an entire year. You can also check the quality of your power by monitoring voltage, line frequency, and power factor. To check out an energy meter, please ask at the Checkout Desk.

e

INTERNET

Find It All Online

Recent updates to our online catalog make it easier than ever for you to search for materials and events at the library. Now you can look for a book, movie, CD, DVD, a newspaper or magazine article, or even a library event, all on the same webpage.

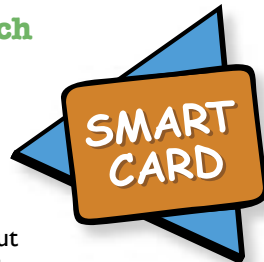

You'll also find links to reading recommendations, MyAccount, the Michigan Electronic Library and more. Check it out at <http://catalog.cantonpl.org/>.

Microsoft Office Upgrade

The Canton Public Library is upgrading public computers to Microsoft Office 2007. This upgrade includes Word, Excel and PowerPoint. To learn more about the library's computer capabilities, software and supported technology, visit www.cantonpl.org/services/cpltech/compsoft.html.

Welcome to Online Research @ Your Library

The Canton Public Library subscribes to many online databases that you can access from home. There are a few that can only be used while you're at the library, so check out Morningstar, Valueline and Ancestry Library Edition on your next visit.

Expert Advice for Students Planning for College

Canton resident Christopher Tremblay, Director of Admissions and Orientation at the University of Michigan-Dearborn, has this advice for college-bound students:

Applying to college can be overwhelming, but with organization and timelines, you can meet application deadlines. Consider how many schools you plan to apply to – each school will have an application fee, often ranging from \$25 to \$100. It is recommended that you to apply to 4 schools: 1 dream school, 2 realistic schools and 1 safety school. Most high school seniors apply to college from September to November. This might also be the time to create a professional email address for your application.

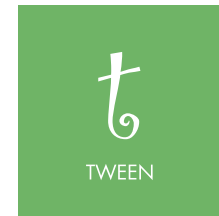

Listen Up to Audio Books

Tweens, you're not too old to listen to a story. Try an audiobook on Playaway or CD and have old favorites or new titles read to you. You can listen on the bus, while you're chilling at home, in the car or just about anywhere. It may help you better understand what you've read or give you a new appreciation for an author to hear the work performed. Give an audiobook a try.

To read more about college admissions, check out this Canton Public Library resource:

75 Biggest Myths about College Admissions: Stand Out from the Pack, Avoid Mistakes and Get into the College of Your Dreams
by Jerry Israel.

Audiobooks:

Harry Potter and the Deathly Hollows

On the Wings of Heroes
by Richard Peck
The Cat Ate My Gymsuit
by Paula Danzinger
Tale of Despereaux

New Registration Procedure Makes Planning Ahead Easier

In response to your requests, registration for Children's programs will begin two weeks before the session starts. For storytime programs, the first two days of registration will be limited to patrons with orange Canton library cards. On the third day, those with other library cards may register for available spots.

As with our other registered programs, the child participating in the program must have a valid library card. Non-residents and patrons with cards from other libraries can present a photo ID at the Checkout Desk to get their information entered in our system.

For program registration dates, see the Children's Program page in *Connections* or visit the online program calendar at <http://catalog.cantonpl.org/iii/calendar/month>.
