

What is required to download an eBook to an MP3 Player?

- A valid Canton Public Library card
- A laptop or desktop computer
- An MP3 player
- OverDrive for Audiobooks downloaded to your computer

Download OverDrive for Audiobooks on the PC you plan to use. Go to the [OverDrive Applications page](#) to find the proper download link for Windows or Mac computers. Install and activate the software.

Using a laptop or desktop computer, go to cantonpl.org and click on **eMedia** under the Research heading on the left of the page. Click the **Check Out** button under **OverDrive**.

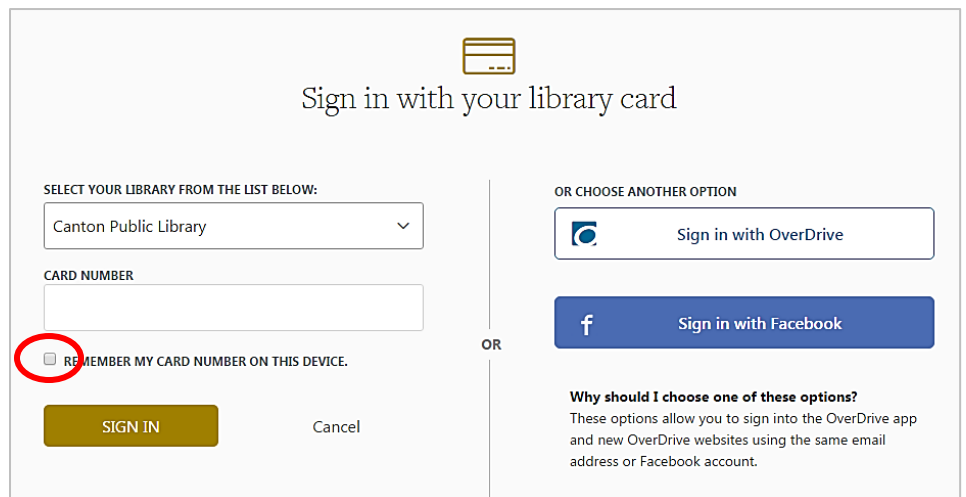

Sign in to see the full variety of Audiobooks available to you.

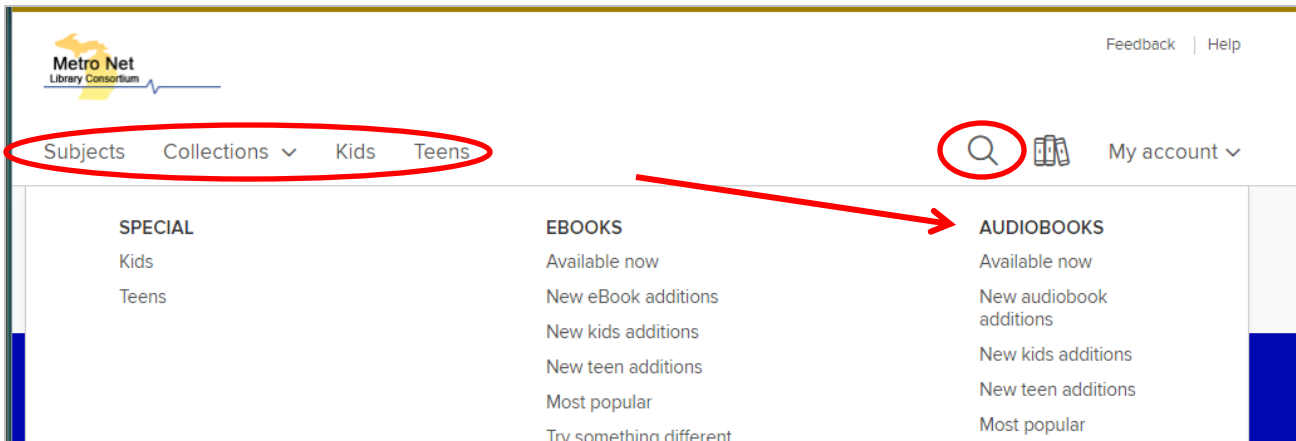

There are three sign in options:

- Canton Public Library card number (select **Canton Public Library** from the list)
- OverDrive account
- Facebook account

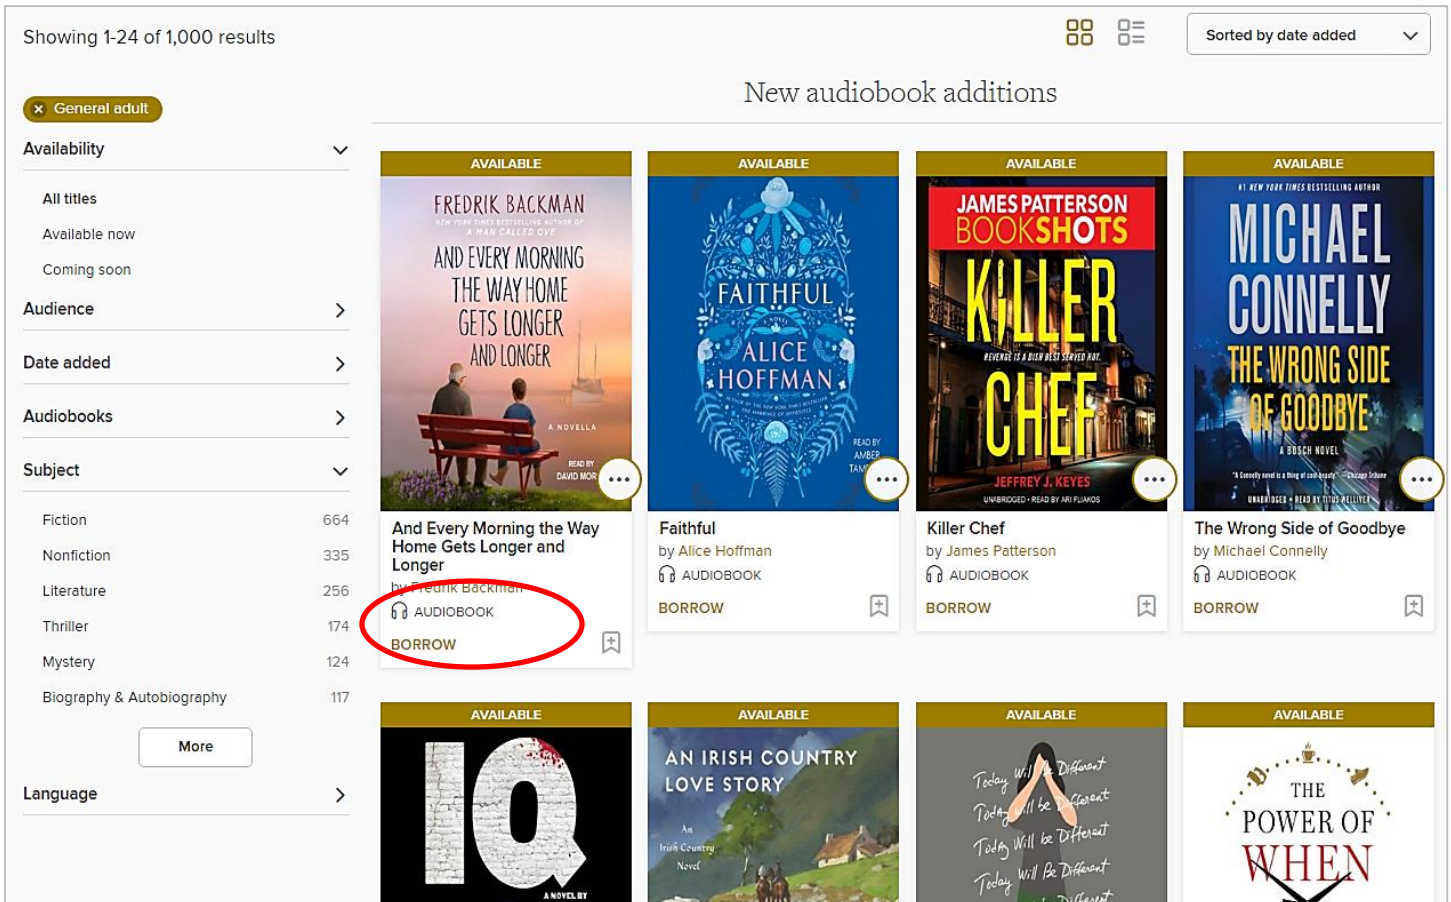

(Note: if using your library card number, remember to check “Remember my card number on this device” to streamline future logins.)

Search for an audiobook by clicking on the  icon, or choose from available **Subjects** or **Collections**.

Use filters on the left to narrow your search by format, genre, audience, or availability. Use sorting features on the right to see most popular or recently added items first. Format (eBook or audiobook) and availability are noted below the book cover. If the item is not currently available you can place a hold, just as you would for an item in the library.

Click on the book cover to learn more about the book, including available formats, summary, and more. If you have not already filtered your search for the MP3 items, confirm the **Available Formats** include **MP3 audiobook**.

To suspend or cancel a hold, click the **Holds** link under **My Account**.

Tips

- If you have an issue logging in to the Metro Net OverDrive page, remember that your card must be in “good standing”, meaning it has not expired, that fines are under the \$20 limit, and there are no other blocks on your account.
- More information on using the OverDrive mobile app is available on OverDrive’s [Help page](#).
