

Application for Employment

Please keep this page for your reference and read the "Important Information" below before contacting the Library. If you do need to call, you will be asked to provide the following:

IMPORTANT INFORMATION

- Submission of an employment application form is <u>required</u> in order to be considered for any employment opportunity at the Canton Public Library (CPL), and <u>you must complete a separate application form for each position</u> for which you wish to apply. If you have already submitted an application to the Library and later wish to apply for another position, you must complete another application form.
- CPL will only accept applications for **posted vacancies**. Filing an application provides no assurance that you will be interviewed or hired. Unsolicited resumes and applications, or applications that do not specify a position title, will not be accepted. Current job postings are on the Library's website at http://www.cantonpl.org/aboutus/jobs/.
- Read the minimum qualifications carefully for any position for which you wish to apply, and make sure your
 application reflects those qualifications. If your application does <u>not</u> show that you possess the minimum
 qualifications required for a position, your application will not be accepted for that position.
- Apply only for positions in which you are truly interested. If you apply for multiple positions and are hired for one of them, your application will be pulled from consideration for the other positions.
- You are encouraged to attach a resume and/or cover letter to your application form; however, please note that
 all sections of the application form <u>must</u> be completed in their entirety. Do not use phrases such as "see
 resume;" simply referring to the attached resume is not sufficient.
- Make sure your application form is signed and dated. Unsigned applications are not accepted.

Posted Vacancies: Posted vacancies have a specifically identified application deadline. No application will be accepted after this deadline. The vacancies in this category may include full- or part-time positions, and may be either full-time or hourly positions.

Unsuccessful applicants will not be considered for reposted positions. Accepted applications will be considered "active" for 30 days, after which time a new application will be required for further consideration for vacancies.

Accepted applications are reviewed after the application deadline, and interviews are generally scheduled within 7-10 days of that date. All applicants for posted vacancies will receive a confirmation of receipt of their application, and will be notified of the outcome of the recruitment process for the position.

APPLICATION FOR EMPLOYMENT

Please read all instructions carefully and complete all sections of the application completely and accurately. It is your responsibility to provide sufficient information on this application to indicate that you meet the minimum qualifications for the job for which you wish to be considered. The Canton Public Library (CPL) is an equal opportunity employer and will not discriminate against any applicant on the basis of any characteristic that is protected by state or federal law. If requested in advance and in compliance with the Americans with Disabilities Act and the Michigan Persons with Disabilities Civil Rights Act, CPL will provide reasonable accommodation to applicants in need of accommodation so as to permit access to the application, interviewing, and selection process.
