

# 62 DAYS OF SUMMER

THE BEST 62 DAYS OF YOUR YEAR! JUNE 17-AUGUST 17

## Welcome to the colorful, busy world of 62 Days of Summer at your Canton Public Library!

You'll find something to do, see, or read every day from June 17 through August 17. Our summer program is for all ages and there's no registration or residency restrictions.

We have dozens of programs and activities, both in the library and online, and of course, reading suggestions for every age, stage and interest so you'll stay as busy as you want to be all summer.

Check out our website, [www.cantonpl.org/summer](http://www.cantonpl.org/summer), for program and registration information, plus other no-cost activities for all ages. If you can't make it to the library, you can still participate in activities on our website or social media.

Record your summer experiences in our custom 62 Days Field notebook and collect pom poms for reading, attending programs or participating in activities. Keep your pom poms or drop them in our interactive community collection box created by the West Middle School Bionic Bulldogs Robotics Team and watch it fill up with tokens of our collective summer experiences.

**We look forward to seeing you at the library this summer!**
