

CPL 2025 LEGO® Building Contest: Overview

It's time for our LEGO® Building Contest. This year's theme is **Plant a Possibility**. We challenge you to create your dream garden or plant scene. Think about what kinds of plants you want in your garden, what other features (or creatures!) might be in your garden, or the story behind your garden. We know you'll exercise creativity and energy in your work.

Go bananas! Remember to keep submissions family friendly, as all age ranges will be on display. This is a community-wide contest where each age range will be judged and a winner determined.

ALL AGES ARE ENCOURAGED TO PARTICIPATE.

Age categories are K-2nd grade, 3rd-5th grade, 6th-8th grade, and 9th grade-adult.

Registration for a spot begins on April 24.

Please read all of the contest rules and guidelines below and don't forget to fill out an entry form for your creation.
